

Reservation against joint TV agreement

In March 2019, the board of **Linderud Borettslag II** housing association (hereafter **LBR2**) entered into a joint TV agreement for 3 years with **Get**, which is now integrated into **Telia Norge AS**.

The agreement with Telia was renewed for 3 years from 2023-10-01, and again for 3 years from 2026-08-01 at 336 NOK/month/apartment fixed price.

One decoder/TV-box for each household participating in the agreement is included.

LBR2's agreement with Telia allows individual households to opt out of the joint agreement, and thus be exempt from this cost on the monthly joint expenses bill.

Conditions:

- a) Initially, all apartments are included in the TV joint agreement.
Apartments that do not want to participate must actively opt-out.
- b) Reservations can be changed at two dates every year:

Deadline for submission of this completed form to LBR2	20. May	20. November
Deadline for LBR2 to report all reservations to Telia	1. June	1. December
Reservations will take effect from	1. July	1. January

- c) If the apartment changes ownership, the reservation can be changed within 3 months from the takeover date.
- d) If you opt out of the agreement, any decoder provided must be returned to Telia.
- e) Only registered shareholders can change the agreement for their apartment, not a tenant.
